Georgia Tech/Emory Center for the  
Engineering of Living Tissue

Undergraduate Research Scholars Program

Faculty Approval Form

I have read the project proposal from \_\_\_\_\_  
for a research project to be submitted to the **UNDERGRADUATE RESEARCH  
SCHOLARS** program. I have determined that it is an appropriate research project  
for an undergraduate student. The project will last one year in duration, meet  
IBB and GTEC's research goals, and have the potential for publication of the  
results.
